

BATH FOAM 100 ML

Ref. N1005

Type of product CLEANSING SHAMPOO FOR DOGS

Product description Shampoo for domestic animals, formulated with high content of hempseed oil (40%), hop water-soluble extract and essential oils, a synergy of raw materials of plant origin to create an adverse environment for common animals' parasites and to preserve the health of our animal friend. The shampoo deeply and gently cleanses giving shine and softness to the hair. It does not contain surfactants, deeply cleanses without creating foam.

Active substances: **Water-soluble extract of Humulus lupulus**, naturally rich of Humulene Xanthumol, Terpenophenols, CBD, CBC and CBG: it has a natural analgesic power to alleviate pain and reduce inflammations, as well as beneficial effects on the nervous system. Zanolli P., Zavatti M. "Pharmacognostic and pharmacological profile of Humulus lupulus L." J Ethnopharmacol. 2008; 116(3): 3838-396. Doi: 10.1016 / j.jep.2008.01.011

Essential oil of Cannabis Sativa (terpene fraction) and **mint essential oils** with optimal microbial action and adjuvant in alleviating cutaneous problems. Zengin G., Menghini L., Di Sotto A., et al. "Chromatographic Analyses, In Vistro Biological Activities, and Cytotoxicity of Cannabis sativa L. Essential Oil: A Multidisciplinary Study". *Molecules*. 2018;23(12):3266. Published 2018 Dec 10 doi:10.3390/molecules23123266

Natural essential oils mix with antiviral, antibacterial, antifungal and antioxidant properties. Benelli G., Pavela R, "Repellence of essential oils and selected compounds against ticks – A systematic review." *Acta Trop*. 2018; 179:47-54: 10.1016/j.actatropica.2017.12.025.

Directions for use Wet the coat, apply a small amount of the detergent, deeply lather and leave on for a few minutes. Rinse completely and repeat a second time. Rinse eliminating any foam residue and then dry. It does not produce foam.

Precautions In case of contact with eyes flush thoroughly with water.
For veterinarian use only. Cosmetic product for external use. Keep out the reach of children.

PAO 6 months
Size 100 ml, 3.38 fl.oz.
